The Memory Tiles Fundraiser gains go to the SHS Arts Department. The project is a fun way for our students to commemorate their time in Stamford High School and remember the Black Knights in the form of a tile, which will be hung on the Art Floor (3rd) in a collage compiled of different Black Knight generations. Every tile is custom painted to your desires so that a piece of you will last forever in Stamford's memory!

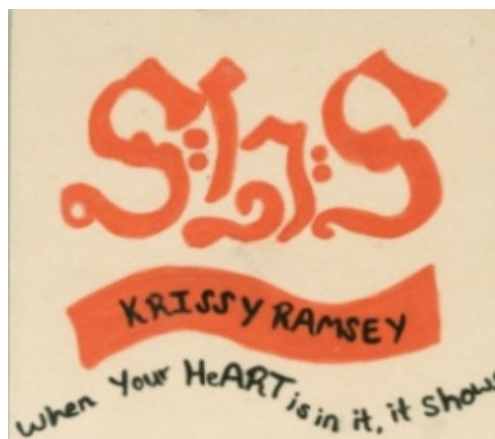

Tiles are 6x6 and are available for \$10.00 each or 2 for \$15.00. Options:

1. **The Knight \$10.00**
2. **SHS \$10.00** which will include a quote of your choice.
