Valentine's Day 1979

## Make Valentine's Day Count

by Sharon Feintuck  
February 14th is Valentine's Day around the world. One special day of the year for you to choose your Valentine.

All over the world on this day many guys and gals make that special effort to let a certain someone know that they care.

For generations men have been sending roses to their favorite women. Another custom is sending Valentine cards to friends and family. Husbands and wives exchange gifts.

A common misconception about Valentine's Day is that the man should pursue the woman.

What's wrong with the woman pursuing the man? What if that special guy is too shy to make the first move? Valentine's Day is the perfect day for all you girls to let him know without being too conspicuous.

In Europe, women don't send roses to men or even boxes of candy, but they do send ties, scarves or even a favorite cologne.

Valentine's Day isn't taken as seriously as it used to be, but it's still a rather fun day. So what the heck...have some fun and tell that certain guy or gal that you really do care.

# Girls' Indoor Track

by Glenda Perry  
This year's Girls Indoor Track Team has had a very good season. The team is very young, being mostly made up of freshmen, sophomores, and a few juniors.

One of our outstanding freshmen performers is Tracy Winn. She has taken many first places for S.H.S. in the 50 yd. dash, 300 yd. dash and also has helped the short relay team come in first place in the track meets. The short relay team consists of Betty Guy, Tracy Winn, Denise Lienhardt, and Glenda Perry.

Our long relay team which consists of Deena Brockett, Diana Werner, Clevinette Lorent and Janice Lienhardt also did well.

This year's hurdlers are Glenda Perry, Deena Brockett, Patricia Lorent and Sally Redd.

Our 300 yard dash sprinters are Betty Guy, Denise Lienhardt, and Tracy Winn. And in the 600, we have Janice

Lienhardt, Cindy Sutherland and Lynn Sutherland, who all had excellent times in this event.

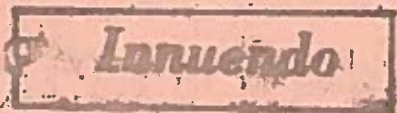

This year's team doesn't have many distance runners but the few we have are very good. Deena Brockett, Janice Lienhardt, Diana Werner and Jamie Coppola and also Alison Smith and Lynn Sutherland have come along.

The coach, Mr. Brown is a former teacher

here at S.H.S. and with his very good coaching the team will give the orange and black a very good name in track.

His assistant coach is Isaac (Buttons) Bryant, who has been quite a help, along with the managers Ted Speight and Roberto Velez.

If you have missed the excitement of this indoor track season we begin outdoors soon and we want you to come out and support us when the meets start in April.

## Heart's Lock

Heart's lock  
In blissful love  
A match made  
From Heaven above.

A perfect pair  
The world-wide way  
For all to spend  
Valentine's Day.

## That Time of Year

Once again  
It's that time of year  
for all to draw  
Their sweethearts near.

February fourteenth  
That magic day  
When guys and gals  
Hear each other say:

I think you're nice  
Will you be mine?  
I want you to be  
My Valentine.

You may laugh  
Or think it's dumb  
But, maybe if you try it  
You'll like it some.
